Radisson Plaza Hotel, Kalamazoo, Michigan
The Meadows Meeting Room

Accreditation Seminar Description:

For this summer’s meeting, AABI will host its fifth annual **Accreditation Seminar** to benefit those currently in candidate status, for those preparing to apply for initial accreditation, and those thinking about beginning the process. Attending this Seminar has numerous benefits, including improving communication skills, gaining expert knowledge, networking with others, and renewing motivation and confidence. Feedback from previous Seminars include comments like, “As department chair, this is eye opening,” “Learned of the importance of logistics and time on a team visit,” and “Invaluable experience.” Plan now to attend!

The morning and afternoon sessions are interactive giving those in attendance the opportunity to work as teams applying the concepts learned throughout the day. Participants will receive an Accreditation Seminar jump drive with all the presentations and reference materials.

The Seminar will be facilitated by highly experienced AABI leaders with wide-ranging experience in the AABI accreditation process, including visiting team members and committee chairs. Attendance is strongly encouraged for faculty and administrators new to AABI accreditation, and mandatory for those in candidate status.

Sign up early, there are a limited number of seats available!!!
