AABInternational

It is difficult to imagine a more successful meeting! We hope everyone found the meeting in Grand Forks to be as interesting, informative and invigorating as we did!

On behalf of the AABI Board of Trustees, members and staff, we convey our sincere appreciation for all our gracious and generous sponsors of our Annual Meeting. The sponsors and donors who extended their services and contributions made the event such a huge success. It is only through the participation of our members and active organizations that we are able to conduct such well-attended and successful meetings. Sponsorships are key elements in our continuing efforts to provide quality accreditation services at affordable costs to our members; and without your help, this would not be possible.

During these challenging times in the aviation industry, AABI is fortunate to experience continued growth as we advance quality aviation education worldwide through accreditation and leadership. AABI's continued growth and success are thanks in part to the generosity of our sponsors.

Thank you ALL again for your passion and devotion to our common goals. We look forward to seeing you at the 2020 Winter Meeting in San Juan, Puerto Rico, February 25-28 – plan now to attend!
